“Deep within each of us is an inner longing to live a life of greatness and contribution – to really matter, to really make a difference. We can consciously decide to leave behind a life of mediocrity and to live a life of greatness – at home, at school and in the community”

Stephen Covey

SCHOOL HOLIDAYS THURSDAY 20 DECEMBER – TUESDAY 29 JANUARY

With holidays fast approaching it is important that our students take some time out during their holidays to “Sharpen the Saw”.

So, what does it mean to “Sharpen the Saw”?

Sharpen the Saw means to have balance in your life. There is a story of a person who was sawing down a tree and not making a lot of progress. When a passerby asked them why they didn’t stop sawing to sharpen their saw, they remarked that they were too busy sawing. Habit 7 reminds us that we are more productive when we are in balance—body, mind, heart and soul.

It’s all about BALANCE, being able to use all the habits to ‘make’ the time to refresh, revitalise and refuel all of the four areas.

If the tree chopper, chose to stop and sharpen their saw they may seemingly ‘lose’ time yet by stopping they stand to achieve so much more.

By taking time to Sharpen the Saw we are all likely to be more effective, efficient and achieve more satisfying results.

Some ideas to Sharpen the Saw:

BODY - Play outside, ride a bike, kick a ball around, go to the park, walk around the block, put some music on and make up a dance, eat healthy, sleep well, try to relax, do some yoga/stretches etc.

MIND - Balancing reading with TV watching or making better choices about what you watch, do puzzles, paint or draw, play a board or card game (Eg: Uno, Snap, Monopoly, Scrabble, Guess Who, Connect Four, Battle Ship etc), brain teasers, crosswords, find a word, suduko etc.

HEART - Create a list of what makes you happy and choosing to do something on the list every day. It could be spending time with special friends and family. Write a letter, make a card, draw a picture for someone ‘just because’, say I love you often, smile at people, and do something ‘nice’ for someone.

SOUL - Start a journal, read inspiring books or poetry, meditate, enjoy nature, sit quietly and listen to soft music, every night before bedtime spend some time to think about the good things in your life.
